

Prof. Toshihiro Moriga

- **Name and Contact Information**

Department of Applied Chemistry, Division of Science and Technology, Graduate School of Technology, Industrial and Social Sciences, Tokushima University, 2-1 Minami-Josanjima, Tokushima 770-8506, Japan
E-mail: moriga@tokushima-u.ac.jp

- **Education**

March 1996, Doctor of Science, Inorganic and Physical Chemistry, Osaka University, Awarded
March 1990, Master of Science, Inorganic and Physical Chemistry, Osaka University, Awarded
March 1888, Department of Chemistry, Faculty of Science, Osaka University, Graduated

- **Professional Experience**

2023-present: Director of the Chugoku-Shikoku Branch, the Ceramics Society of Japan
2009-present: Professor, Tokushima University
(2014-2018&2022-present: Vice Dean of International Affairs, Faculty of Science and Technology, Tokushima University;
2017-present: Vice Director of International Educations, Tokushima University)
1998-2009: Associate Professor, Tokushima University
1991-1998: Assistant Professor, Tokushima University
(1996-1998: Visiting Scholar at Northwestern University, USA)

- **Honors and Awards**

March 2006, 2010, 2014, 2018, and 2022: The Teacher of the Year, Faculty of Engineering (-2018) or Faculty of Science and Technology (2022), Tokushima University.

- **Field of Research**

Fabrications and evaluations of wide-bandgap ox(ynitride) semiconductors such as phosphors, photocatalysts, electrolytes *etc.*

- **Topic of Talk**

Slow photon photocatalytic enhancement of H₂ production in TaON inverse opal photonic crystals
